Ministry & Life Perspectives

Epiphany – Seeing Past Appearances

As I share in this month's FlockNote, growing up, I tried a couple of times to position the Magi from our family nativity scene starting from the hallway and making their slow way from Christmas to Epiphany across the living room to the stable at the foot of the Christmas tree. This interfered

clearly with my mother's plans to vacuum and with everyone's navigation of the room, so it didn't get much traction. But for me, it captured the movement and momentum of these searchers, making their gradual way to meet Jesus. And that is, of course, true for all of us.

Epiphany is rich with symbols – the Wise Men, the Star, the journey, the gifts of gold, frankincense, and myrrh, the jealousy of Herod, and usually a camel or two. It is also rich with various meanings that inspire our reflection: following the Light that leads us to Christ, bringing our own gifts to Jesus; being willing to persevere when we are not sure what we will find.

Physically, the Magi saw a baby with his parents. Trusting in the Hebrew prophecies, they recognized that this Child was something more: the Light of the World, the Savior, the Promised One. They adored Jesus, gave their gifts, and left; the Gospels record nothing more of them. What they understood from that time spent with the Child and Mary, his Mother, is not clear to us. But perhaps their lasting gift to us is the lesson of looking beyond the present, the now, what appears before our eyes, and to see the future, the potential, the beginning of God fulfilling promises whose end we may not see ourselves. This is faith. It begets hope, not only for our own personal lives and interests, but for the world and its many challenges, some which seem beyond resolution. May Epiphany hold for you some new revelation of God's presence, promise, and providential care.

All Things New

Our ACC presented our proposed plan to the CAP (Committee on the Affirmation of Plans) on December 3. It was a good dialogue with insightful questions from the CAP and an honest exchange of viewpoints. The CAP will be voting formally on our plan soon, and it will take its place along with the other 28 ACC plans to form an overall vision of the future of our Diocese, which becomes official with the approval of Bishop Neary, perhaps in March or April. Again, this is not official, but it is likely that we will be asked to merge the two smaller parishes into the two larger ones by July, 2027. All four sites will remain in use for Masses and programming. That gives us a year to work on the following five areas carefully and well:

1) - create financial and accounting structures and procedures that bring all finances and property of Annunciation under the parish and civil corporation of Sacred Heart, and the finances and property of St. Stephen under the parish and civil corporation of St. Francis Xavier. We are committed to ensure that no site's debts or liabilities are paid for by another site's assets.

2) - review our ACC staffing to look for functions and procedures that could be combined or streamlined, alignment of job

Ministry & Life Perspectives (cont.)

descriptions, and support and resources for staff to do their ministry well

3) - review our faith formation (youth / young adult / adult) ministries across the ACC. Currently there are both combined and individual aspects of programming in their area. We want to do an objective review with an enhanced existing Faith Formation Committee from the ACC Council to make recommendations. A continued mixture of coordinated combined and individual programming is certainly one of the options.

4) - similarly, review our social outreach and pastoral ministries across the ACC. Currently there are both combined and individual aspects of programming in their area, with many good internal and external opportunities. Here too we want to do an objective review with an ad hoc committee from the ACC Council to make recommendations. A continued mixture of coordinated combined and individual programming is certainly one of the options here as well.

5) - review and revise the Constitution and bylaws of this ACC Council to be more clearly and effectively the primary visionary and advisory leadership body in the ACC. While there will be two Finance Councils (now each overseeing a larger area), the ACC Council will move from an information clearinghouse of existing councils and committees to a more deliberative leadership body. This work will take some time and a motivated sub-committee to envision.

Please continue to pray for the future full of hope God desires for us.

Thank You

On a personal note, I want to thank all of you for your prayers, cards, words of concern and support in my unexpected health challenges since October 20, along with the many kind Christmas messages. I have a few more steps to take with doctors to explore returning to full health, but I am feeling slowly stronger and striving to keep up with the service of God's people. I am grateful for your patience as I have had to trim my schedule somewhat and focus on getting back to normal. Your kindness has been a remarkable Christmas gift!

ACC Events

Tabernacle for Toksook Bay. As a capstone to our ACC's Jubilee Year of Hope plans, our One in Christ ACC is raising funds for a tabernacle to replace the damaged one in the church in Toksook Bay, Alaska. The total cost for the tabernacle is \$6000. This gift will be an enduring witness to our unity in the One Body of Christ through the Eucharist. Checks can be made payable to Sacred Heart with Tabernacle included on the memo line. Place cash or check in an envelope marked "Alaska Tabernacle" and drop it off or mail it to your parish office, or drop it in the regular weekend collection. Donations will be accepted until February 15, 2026. Any funds raised that exceed the cost of the tabernacle will be sent to the Diocese of Fairbanks for their ministry needs. Thank you.

Fellowship Event: The next fellowship event will be held on January 18th in the basement of Annunciation church. The event will begin with Mass at 8:15. We are focusing on those people involved with funeral lunch helpers, funeral Mass helpers, St Monicas, The Knights of Columbus, and Men's Club. Deacon Terry will be the speaker and the topic will be on Luke: 38-42--Martha and Mary, the balance of ways to honor the presences of Jesus and the needs of the Body of Christ. There will be muffins and juice/coffee served. No need to RSVP, and if you are not part of one of these groups and would like to come please do so.

Widows/Widowers Group We now have a widow/widowers group for the ACC. If you are a widow/widower, you are invited! This group will meet on the 2nd Tuesday of each month, from 1-3 at Sacred Heart. The next gathering will be January 13th. Please enter through door 5-the office doors. This is not a grief group. We visit, play cards, eat a little and get to know each other. All widows/widowers are welcome!

News and Events From Around the Diocese

"Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh." Matthew 2:11

The image of the Magi kneeling before the infant Jesus and opening their treasure chests for Him is an image that we should all try to follow each day. In gratitude for all that we have been given, we are called to generously share all our gifts, not just the ones we pick and choose. God wants us to be generous with everything, but especially that one thing that means the most to you.

Blessings to you In the New Year! We are very grateful to those of you who have already supported diocesan ministries in 2025 through the Appeal. As of December 22, the Bishop's Annual Appeal for 2025 has raised \$1,532,689 toward our goal of \$1,500,000 (102.18%). This was made possible through the generous donations of 6,902 people throughout the 16 counties of our diocese. Your support of these vital ministries make a real difference in people's lives. Visit www.stcdio.org/annualappeal.
